

2009 – 2010 Long Track Equipment Rental

Our club now rents long track boots and clap blades. While our inventory is limited, we will attempt to meet the needs of as many as we can!

- Boots can be rented for anywhere from \$25 - \$35 for the season.
 - Clap blades rent for anywhere from \$25 - \$35 for the season. In some cases the clap blades can be mounted on your short track boots but the brackets usually prevent you from doing this. Almost all of our claps come with brackets for long track boots.
 - If you already have short track equipment rented through the club then a deposit is not charged on the long track equipment.
 - Rental payment is mandatory at the time the equipment is picked up.
 - The rental period goes until March 15th, 2010.
 - As no deposit is placed on long track equipment, the equipment **MUST** be returned to the club by March 15th, 2010.
 - Equipment is rented on a first-come, first-served basis.
 - The club's range of boot sizes is from 36 to 44.
 - The club's blades range in length from 15 ½" to 17 ½".
